Milk Money

Milk Money for the 3rd Nine weeks is \$17.60

and the second semester is \$33.20

Lost and Found

We have a large number of items in our lost and found box. Please check this box if you are missing items. All items will be donated to the breadbasket at the end of the semester. Please be sure your child's name is written on the tag inside their coat. This will make it easier for staff to return coats to their owner.

Returning to School after an illness

Just a friendly reminder that our district policy states that students may return to school after being sick when they have been fever, vomit and/or diarrhea free for 24 hours. Thanks for helping keep our students healthy.

Inclement weather

We are approaching the time of year when it is important to keep an eye on the weather. Be sure to send your child to school in appropriate clothing. Students must have a coat for recess if the temperature is below 60 degrees. The guideline for indoor recess is; if the temperature combined with the wind chill is below 20 degrees, the students will have indoor recess. Staff members will also use their best judgment with factors such as playground conditions, time outside and age of students. Staff members will try to take students out if possible.

Early Release & Cancellation Procedures

In the event of an early school dismissal, the following procedure will be implemented: A message will be disseminated through the EZ messaging calling system. The radio and television stations will announce the early dismissal or cancellation. If possible, I will notify parents through my e-mail group. Parents will need to come into the school building to check out and pick-up students. **Students will not be released to walk home.** If your child is in Kindergarten, you will need to pick up your child at the West Campus in their classroom (Kindergarten building). Please check out with their teacher.
