

SCORE After School Program

SCES 410 E. 8th Street Scott City, KS 67871

T: 620-872-7670

SCORE welcomed back the new year of 2018 by working on being healthy during the new year, participating in lessons about our Five Senses, playing some fun snowman games and having a silent reading time. The weather was a little unpredictable, but SCORE was always prepared for inside or outside activities.

Miss Stephanie from the Museum gave us an informative trunk talk about Kansas history!

We had a blast making quilt blocks about Kansas after the trunk talk.
