#### **Dear Students & Parents:**

On behalf of the entire faculty & staff we welcome you to Scott City Middle School. This handbook contains valuable information that will help both the students & parents become familiar with the policies, procedures & activities at SCMS.

We believe in a fair & consistent code of discipline & good classroom management. Our goal is a positive environment where courtesy & kindness, from both students & staff, prevail. We encourage all students to be active & participate in school activities. We will treat all students with courtesy & respect. When problems arise, we will work positively to find solutions. We will hold students accountable. We believe each student has the final responsibility for the consequences of his/her behavior; however, parents may be asked to help us enforce the necessity of better behavior.

#### WELCOME

#### **SCMS MISSION STATEMENT**

Scott City Middle School will provide a high quality education & a productive, positive learning environment for all students.

#### NONDISCRIMINATION STATEMENT

Applicants for admission & employment, students, parents, employees, sources of referral of applicants for admission & employment & all union or professional organizations holding negotiated agreements with the district/institution are hereby notified that this district/institution does not discriminate on the basis of race, religion, color, homeless, national origin, sex, age or disability in admission or access to, or treatment or employment in its programs & activities.

#### **SCMS HANDBOOK ACCESS**

Changes or additions to this handbook may be made at the discretion of the principal. Updates will be made throughout the school year & will be noted in the online version located on the USD #466 website. Students who are issued an iPad, will be expected to be familiar with the electronic version of the handbook. Students in 5<sup>th</sup> and 6<sup>th</sup> grade will have access to the hard copy of the handbook, located in their agenda books.

#### **CHANGE OF CONTACT INFORMATION**

At any time during the school year when an address or telephone number changes, the school office should be informed. There are several mailings each year and/or if it becomes necessary to call parents for emergencies, correct information simplifies the process.

#### SCHOOL CLOSINGS

The superintendent will determine when it is necessary to cancel school because of inclement weather or other discretionary reasons. Announcements regarding school closings will be announced with a phone call and/or text from the school & on local news channels. As much notice as possible will be given; however on days of inclement weather, these announcements will normally be given 6:30-7:30 a.m., on the day schools in the district close.

#### **ATTENDANCE**

The following attendance policy is based on the premise that regular school attendance is necessary for the student to have a successful educational experience. The school system & parents must work together in accepting a mutual commitment to educate each child. This commitment can best be achieved through communication between the school & the home which assures that the child will be in school on a regular basis so that he/she can be afforded the opportunity to learn.

#### **EXCUSED ABSENCES**

If a student is absent, a parent/guardian must contact the school office. Each student will be allowed 15% of total days per year of excused absence for the following reasons:

- Personal illness (A physician's notification is required if illness causes excessive absences.)
- Funerals
- Prearranged medical and/or dental appointments
- Prearranged absences –

Students may receive 5 days excused absences per year if advance parental permission is received by the principal. If a parent makes prior arrangements with the building principal before the absence occurs, the parent & student will complete a form, developed by the principal, entitled "Request for Prearranged Absence". The form will contain the student's name, grade, date of student's absence & reason for absence, list of classes in an area that will identify assignments given by the teacher designated with teacher's signature as well as location for date, parent's, student's, & principal's signatures.

The approval of this absence will be discussed with the parents by the building principal if the student is in jeopardy of failing, advising the parent as to the necessity of school attendance. If the parent still requests the absence, the principal will release the student indicating approval of the absence. Work for all classes must be turned in to all teachers, unless a teacher specifies otherwise, before the student leaves to receive credit. Previous assignments are due the day stated by the teacher.

#### **TARDINESS**

Being on time to school & class is extremely important in being a successful student. If a student will be late coming to school, parents must call the office or send a note with the student. Tardy students must report first to the main office when entering school.

- 1. You are tardy if you are not in your seat in the classroom when the bell rings.
- 2. You are tardy if you are up to 15 minutes late: if you are more than 15 minutes late, it may be an unexcused absence.
- 3. You will be allowed two tardies per quarter.
- 4. Upon the third tardy in a quarter, & subsequent tardies thereafter, you will be assigned 15 minutes in after school study period for each offense or lunch detention in the office.

#### **TRUANCY**

SCMS school officials will notify the proper authorities if a child that is required by law to attend school is enrolled and is inexcusably absent therefrom on either three consecutive school days, for five school days in any semester, or seven schools days in any school year. School officials will also report truancy if a child's absence is excessively excused as an illness with no doctor's notification to the school stating medical issues that initiated the absences. Prior to making any report, written notice of multiple absences will be given to the parent/guardian of the child. SCMS school administration is also required to report any child that is required by law to be attending a public or nonpublic school who is not enrolled, but resides within our school district.

#### DAILY PROCEDURAL ITEMS

#### **CAFETERIA EXPECTATIONS & LUNCH PERIOD:**

No outside fast-food is allowed, unless it is brought from home at the beginning of the day. Parents may take their child out for lunch providing a parent comes in to sign them out in the office. If a student does leave the school grounds without obtaining permission he/she will receive an automatic one day in-school suspension. Students who leave the school for lunch will not be excused if they return late. Whether it is their fault or their parent's fault; it will still be an unexcused tardy.

Student behavior in the cafeteria should be based on courtesy & cleanliness. This means leaving the area in the condition you would like to live in. Student IDs must be worn to purchase a meal. Any student who does not have their ID must get a "red" card from the office & will be at the end of the lunch line. Only one warning "red" card is given. Every subsequent time a student is without their ID, they will serve 15 minutes detention time after school.

Any student with specific medical concerns will have a written plan to account for their special needs.

#### **BACKPACKS/BOOK BAGS:**

Students are not to carry a bag of any sort into classrooms. They are given sufficient time to stop at their lockers to pick up needed class supplies during passing period in between classes. Backpacks lying on the floor in a classroom are a safety hazard.

Apparel or accessories taken will be held by the principal until a parent or guardian claims it.

#### **CELL PHONES:**

Student cell phones are only to be in use before or after school. Students are not permitted to carry their phones throughout the school day. The school is not responsible for lost or stolen phones. Any student using his/her phone at an inappropriate time or in an inappropriate manner will have their phone turned into the school office. A parent/guardian must pick up the phone before or after school. Upon a third cell phone violation, students will spend one day in ISS.

Visitors are not permitted in any area outside of the office without signing in, wearing identification, & being granted permission by office personnel to visit other areas of the school. This is to ensure a safe environment for students during the school day.

Any violations or careless driving will result in the loss of the privilege to drive to school, & the local law enforcement authorities may be contacted.

#### FIRE, TORNADO, & CRISIS DRILLS

The following rules will be followed during fire & tornado drills:

- 1. Check the instructions in each classroom (they are posted) indicating how to leave the building in case of a fire & how to move to the closest tornado shelter.

There will be a written plan that will include specific arrangements for mobility impaired & other individuals who may need assistance from staff members to safely exit the building or move to shelter. Students attending school in U.S.D. 466 are required to be immunized according to current state immunization requirements. K.A.R. 28-1-20 requires that each child entering school present to the school authorities immunization certification from a licensed health service provider that the child has received or is in the process of receiving immunization according to Kansas State Law. These immunizations include age appropriate vaccinations against poliomyelitis, measles, mumps, rubella, diphtheria, pertussis, tetanus, hepatitis B, haemophilus influenza type b (Hib), hepatitis A, & varicella.

NOTE: The parents & guardians of exempt students should be informed their students will be excluded from school in the event an outbreak of vaccine preventable disease occurs.

#### **ADMINISTERING MEDICINE AT SCHOOL**

All schools in USD#466 follow strict policy guidelines, developed by the school board that regulates the taking of medicine in school by students.

#### **SUPERVISION OF MEDICATIONS:**

Under normal circumstances medication may not be brought to school by students for their own usage or that of others. Such medicines will be removed from the student & retained for return to the student or the parents as deemed appropriate. Any disciplinary action will be left to the discretion of the principal.

If under exceptional circumstances a student is required to take medication during school hours, only the school nurse, the principal, or the school nurse designee will administer the medication in compliance with the following regulations:

Written permission from a licensed health care provider must be provided with regard to all prescription medications & all special health care procedures to be administered. The health care provider's permission form should include the following information:

- a. Date
- b. Medication and/or treatment to be given
- c. Dosage to be administered
- d. Time of day to be given. (For example, if medication is to be given three (3) times a day, medication should be given at home before school, after school & at bedtime, unless the health care provider's medication order states at noon, before lunch or after lunch.)

Written permission from the parent/guardian must accompany ALL medication this form must be updated at the beginning of each school year. This form is available at enrollment, on the district website or from the school nurse.

The medication must be brought to school in the original container, appropriately labeled by the pharmacy or health care provider. The parent may wish to request two containers from the pharmacist.

Any changes in type of drugs, dosage, and/or time of administration must be accompanied by a new Permission Form.

All medication maintained in the school setting will be kept in a secured area.

The medical need for the self-managed administration of all medications must be evaluated individually by the health care provider & the school nurse (i.e., asthma inhalers, epinephrine, insulin, over the counter medication). Permission for Self Administration Form must be on file in the nurse's office with directions for such exceptions from the licensed health care provider, as well as written permission from the parent.

#### **DISPOSING OF UNUSED MEDICATIONS**

If a student's medication changes during the school year, the remaining medication will be given to the parent or guardian at the time of the delivery of new medication. Medication remaining at the end of the school year shall be taken home by the parent or guardian. Medication may be sent home with the student, with parent permission. Any medication not claimed will be discarded on the school nurse's last working day of the school year.

#### **iPAD USE POLICY**

#### **PURPOSE OF STUDENT IPADS:**

Scott City Middle School emphasizes that iPads issued to students are intended as an educational tool that will enhance the instructional model & allow students to benefit from a technology-rich education. Teachers will be designing instruction that uses the iPad as the basic platform for learning, & all 6<sup>th</sup>- 8<sup>th</sup> grade students will need one in order to be successful & involved in their classes.

#### **IPAD PARENT RESPONSIBILITIES:**

It is the parents' responsibility to inform their children about values & the standards of Internet use at home. iPads will have filtering while on the school's network. USD#466 may also restrict legally purchased content that is loaded onto a student's iPad.

#### **GENERAL CARE OF YOUR IPAD:**

Most apps that are purchased by the school district will remain property of the school district & will be removed at the appropriate time.
  - When the school sends out apps to the iPads you will be required to enter in your iTunes account password for the app to install.
- In the event that storage space becomes an issue & is running low, student music, photos & apps will need to be deleted in order to make room for higher priority educational apps & data.
