Bond Project

Nick Nemechek informed the board members that the next bid that needed to be made is for the asbestos removal. Mr. Nemechek will send out the bids so that they can be approved at the December board meeting.

Mr. Nemechek reviewed the volleyball seating chart and informed the board that the comfy back seating was not going to be possible to have in the areas they had planned. Several options were discussed and it was a consensus of the board to go with option 1 – have no comfy back seats at all – go with orange (chair backs) all the way down and blue (bench) seating at the top.

Other discussion included school schedules for spring of 2019 and school year 2019-2020.

Yanet Contreras made a motion to adjourn. Chris Price seconded the motion and passed unanimously. The meeting adjourned at 11:21 p.m.
