## Sub State Championships

Ladies and gentlemen, the Kansas State Activities Association promotes good sportsmanship by its players, coaches and fans. The use of inappropriate language or gestures, profanity, or throwing of objects onto the playing surface will not be tolerated and are grounds for removal from the facility. We ask you to please be courteous to those fans around you so that we may all enjoy today's game in the spirit of good sportsmanship. Good sportsmanship is viewed by the National Federation as a concrete measure of the understanding and commitment to fair play, ethical behavior and integrity. Sportsmanship is an expectation. Let the players play, let the coaches coach, let the officials officiate, and let the spectators be positive!
